Partners for Rural America

2012 Membership Dues

http://www.partnersforruralamerica.org/

DATE: DECEMBER 9, 2011

To State Rural Development Councils:

Please remit your 2011 Membership Dues to Partners for Rural America to support efforts to advance the National Rural Development Partnership and State Rural Development Councils throughout the nation, to advance policies that address the challenges before rural America, and to promote funding to support SRDC direct services in meeting the needs of rural communities in their states.

Please send your 2012 SRDC Member Dues of $500 to PRA Treasurer:

Partners for Rural America
P.O. Box 21177
Cheyenne, WY 82003

The Board of the PRA recognizes that it will be impossible for some of our SRDC partners to afford to contribute Membership Dues at the $500 level. It was determined that our mutual participation as partners is more important than fiscal contributions in this challenging year. It has been decided that ALL SRDCs are welcome to participate as equals regardless of their ability to pay dues at the $500 level. We request that if you are unable to remit a $500 annual dues contribution, your SRDC contributes at the level possible, even if that is a nominal amount.

Don't forget, individual memberships are still $25.

We are all in this together.

Thanks so much and all the best,

Ricky Rolfsmeyer
President, Partners for Rural America
